Today

January 2022 –projected move-in date

A new elementary school is currently under construction that will replace the 90 year-old Sir Matthew Begbie Elementary (SMB) School located on Lillooet and Kitchener Street as part of the BC Ministry of Education’s Seismic Mitigation. With a targeted move-in of 2022, this school will be built to the most recent seismic requirements. In this current 2020/2021 school year, the Parent Advisory Council (PAC) at Sir Matthew Begbie has applied focus onto the following items that will not be funded by the Vancouver School Board as part of this project:

- Landscape enhancements (benches, outdoor education areas)
- Furniture for common interior areas
- Audio visual equipment in classrooms and the gym
- Learning technology

Let’s come together to give East Vancouver another great school for our kids and community by making a **TAX DEDUCTIBLE** donation.

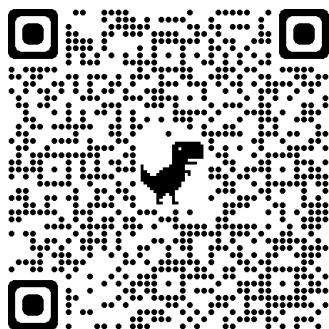

Either the donation link or the SchoolCashOnline QR code below (left side) will take you to a donation page set up by the Vancouver School Board (check-out as a “Guest”). A tax receipt will be issued immediately.
