### BACKGROUND INFO

Our second event in the overall fundraising plan is a Walk-a-Thon around the school building's blacktop (zoom perimeter). The objective is to 'lap' the school as many times as possible in 30 minutes. **This event will place the week of May 17-21 at a time to be determined by each class.**

### FOCUS

### EVENT DETAILS

- Individual classrooms will lap the school or do an equivalent outdoor activity
- Pledges will be accepted (\$ per lap or flat amount).
- One time around the school building is approximately 200m.  
How far can you travel in 30 minutes?
- Money collection will be on May 26, 27, 28 and June 1st.
