# WILL YOU SUPPORT THE DREAM TO UPGRADE OUR PLAYGROUND?

# OUR IMMEDIATE GOAL IS \$30,000

## BACKGROUND INFO

A new, seismically upgraded school is planned to be built to replace our old building. This opens an opportunity to upgrade and expand the playground at a lower construction cost and with less impact, as opposed to doing this once the school is completed. We are now 1 year into waiting for city building permits. Once approved, construction will initiate with the playground.

## THE DREAM

**Our vision is to have a playground that is accessible for children of all abilities. Investing in eco-friendly, recycled rubber surfacing and innovative equipment would ensure that we have a safer playground for generations to come.**

## OUR IMMEDIATE GOAL

We are aiming to raise \$30,000 by November 29th, 2019.

## THE REASON FOR THIS GOAL

**If we meet this goal by November 29th** we could apply for a grant for another \$30K in January 2020. **The school could raise \$60,000 by February 2020!**

## HOW CAN WE REACH THIS GOAL TOGETHER?

$\$300 \times 30 \text{ donors} = \$9,000$

$\$200 \times 30 \text{ donors} = \$6,000$

$\$100 \times 100 \text{ donors} = \$10,000$

$\$50 \times 100 \text{ donors} = \$5,000$

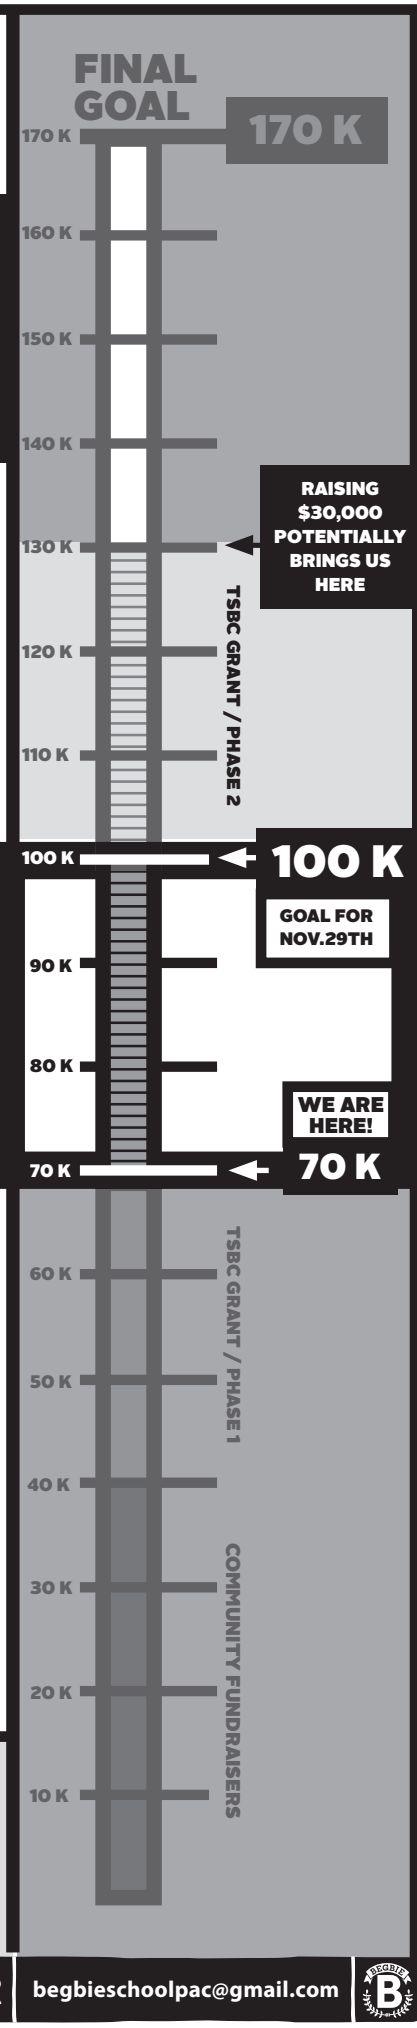

**TOTAL: \$30,000**
