HAVE A **FUN** AND **SAFE** HALLOWEEN!

This is an extraordinary year. The PAC won't be able to throw our traditional and popular movie and costume night. Nevertheless, there are many opportunities to still make this a special time.

Let's bring some of the Halloween festivities to school in a safe manner. PAC will be getting pumpkins for each division. There will also be some small surprises for all students next week. Consider dressing up in costumes (subject to teacher approval) if that is something that you enjoy.

Remember, be kind, be calm, be safe . . . and have fun!
